SUPERINTENDENT'S REPORT

To the School Board and Citizens of Windsor, N. H.

With pleasure I present herewith a report of the work of my eleventh year as your Superintendent of Schools, being the school year of 1929-1930.

The average age of our four pupils was 12 years and 5 months in September 1929, so that unless some new families come to town we may have no pupils in a short time. This year, two were in the sixth grade, Genevieve Vinton and Stella Brown, Norman Chapman was in the 7th grade and Mary Chapman in the eighth. Genevieve and Stella were not permanent residents, entering in January and leaving before the close of the school year. Mary was graduated in June so that it looks very much as if we are to have only one pupil next year in the elementary schools.

In the graduation program of the Hillsborough Town Schools, held in the Lower Village Chapel at 7 P. M. June 11, 1930, Mary had an essay on Henry Wadsworth Longfellow which was delivered in a very pleasing manner.

Mary, Norman and Stella attended the Lower Village School and Genevieve attended the Dole School in Washington. The Lower Village teacher, Mrs. Georgianna

Gile, has the highest form of State approval, a certificate, and the teachers at the Dole School were cadets, who gave good service, and were supervised by a Critic Teacher from the Keene Normal Schools, who made 13 visits of supervision, in addition to which your superintendent helped them during his visits enumerated below.

It was interesting to me to note that not one of our pupils was born in this town. Mary and Norman were born in Concord, Stella was born in Freemont, N. H., and Genevieve was born in Worcester, Mass.

They have had the benefit, this year, of 174 days of school, and their average percent of attendance was 94.4 percent, which is good. There were only two instances of tardiness, both on the same day, and due, I believe, to the condition of the roads. The schools which they attended had 95 visits from parents and friends, 55 visits from the Superintendent and 10 from the School Board.

Our pupils had the benefit of school medical examination, and those who went to the Lower Village had Music and Drawing supervision.

In closing, I wish to repeat what I have said in other reports, that you, the parents and friends of our pupils, are urged to visit the schools which they attend, even though they are not in your own town.

Respectfully submitted,

A. A. HOLDEN,

Superintendent of Schools.
